That's exactly what's happening, and this book tells their stories. Meet the farmers who are growing food in urban areas and providing fresh, healthy produce to low-income neighborhoods. Meet the energy activists who are working to transition their communities to renewable sources of power. And meet the community organizers who are building vibrant, resilient communities where everyone has a voice.

These are just a few of the everyday heroes who are featured in this inspiring book. Their stories are proof that we don't have to wait for someone else to save us. We can create the change we want to see in the world, starting right now.

## **How Everyday Heroes Are Changing the World**

The everyday heroes profiled in this book are working to change the world in a variety of ways. They are:

- Fighting food insecurity and promoting healthy eating
- Transitioning their communities to renewable energy
- Building resilient and sustainable communities
- Empowering others to make a difference

Their stories are inspiring and their work is essential. They are showing us that it is possible to create a more just, sustainable, and equitable world.

## **What You Can Do to Be an Everyday Hero**

You don't have to be a superhero to make a difference. In fact, everyday heroes are all around us. They are the people who are:

- Volunteering their time to help others
- Reducing their environmental impact
- Supporting local businesses
- Speaking out for what they believe in

No matter how big or small, every act of kindness and compassion makes a difference. So be an everyday hero. Start today.
