Stories

A farmer was driving down the road when he saw a man standing in the middle of the road waving a gun. The farmer stopped his truck and asked the man what he was ng.

"I'm trying to shoot a bird," the man said.

"Well, you're not going to shoot any birds from here," the farmer said.

"Why not?" the man asked.

"Because there aren't any birds in this field," the farmer said.

"Oh, I know," the man said. "I'm just practicing. I'm going to shoot the bird that's sitting on the fence post over there."

The farmer looked up and saw a bird sitting on the fence post. He said, "You're not going to hit that bird from here."

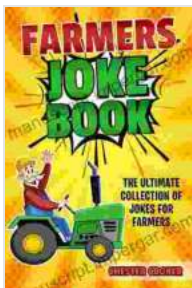

"I know," the man said. "I'm just going to scare it so it flies away and then I'll shoot it."

The man fired his gun and the bird flew away. The farmer was amazed.

"I can't believe you hit that bird," the farmer said.

"I didn't," the man said. "I scared it to death."
