The Moron Guide to Toys is divided into three sections:

- **Ages 0-3:** This section reviews toys that are appropriate for babies and toddlers. These toys are designed to help your child develop their motor skills, cognitive skills, and social skills.

- **Ages 4-7:** This section reviews toys that are appropriate for preschoolers and early elementary school children. These toys are designed to help your child learn about the world around them, develop their creativity, and make friends.
- **Ages 8-12:** This section reviews toys that are appropriate for older children and tweens. These toys are designed to help your child develop their independence, learn about different cultures, and explore their interests.

Each toy review in The Moron Guide to Toys includes the following information:

- **Age range:** The age range for which the toy is appropriate.
- **Price:** The price of the toy.
- **Description:** A brief description of the toy.
- **Pros:** The pros of the toy, such as its educational value, durability, and fun factor.
- **Cons:** The cons of the toy, such as its price, size, or complexity.
- **Overall rating:** The overall rating of the toy, on a scale of 1 to 5.

The Moron Guide to Toys is the perfect resource for parents, grandparents, aunts, uncles, and anyone else who wants to buy a toy for a child. With over 3,000 toys reviewed, this book has everything you need to find the perfect toy for your child.
