In his book *Visit to Babylon: A Journey Through London's Hidden History*, Robert Wilson takes us on a journey through some of the most hidden and mysterious places in London. We visit the ruins of Roman temples, explore the secret underground tunnels, and discover the hidden histories of some of London's most famous landmarks.

Wilson's book is full of beautiful photographs and illustrations, and it is written in a very engaging style. He brings London's hidden history to life, and he makes us see the city in a whole new way.

Here are a few of the places that Wilson visits in his book:

- The ruins of the Roman Temple of Mithras
- The secret underground tunnels beneath the Tower of London
- The hidden histories of St. Paul's Cathedral and Westminster Abbey
- The secret gardens of Buckingham Palace
- The hidden world of the London Underground

Wilson's book is a must-read for anyone who is interested in the hidden history of London. It is a book that will open your eyes to a whole new side of the city.
